*(Section 1)*

### **Claims of Copyright Infringement**

The Digital Millennium Copyright Act of 1998 (the "DMCA") provides recourse for copyright owners who believe that material appearing on the Internet infringes their rights under U.S. copyright law. If you believe in good faith that materials hosted by Skye-Grid infringe your copyright (for example, materials posted by Skye-Grid), You (or Your agent) may send a notice requesting that the material be removed or access to it be blocked. The notice must include the following information:

- (a) a physical or electronic signature of a person authorized to act on behalf of the owner of an exclusive right that is allegedly infringed;
- (b) identification of the copyrighted work claimed to have been infringed (or if multiple copyrighted works located on the Utopia Skye Sites or in Utopia Skye Services are covered by a single notification, a representative list of such works);
- (c) identification of the material that is claimed to be infringing or the subject of infringing activity, and information reasonably sufficient to allow Utopia Skye to locate the material on the Utopia Skye Sites and in the Utopia Skye Services;
- (d) the name, address, telephone number, and e-mail address (if available) of the complaining party;
- (e) a statement that the complaining party has a good faith belief that use of the material in the manner complained of is not authorized by the copyright owner, its agent, or the law; and
- (f) a statement that the information in the notification is accurate and, under penalty of perjury, that the complaining party is authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

*(end of Section 1)*
